**LETTER**

Assignee's undersigned representative of the above-referenced patent application hereby states that the status as a large entity was established in good faith, and that fees as a large entity were paid in good faith for the above-referenced patent application. However, it was later discovered that the transmittal of missing parts filed 11 August 2006 (Exhibit A), indicated a surcharge fee of \$65.00 and that the Patent Office was authorized to charge any deficiencies or credit any overpayment to Deposit Account 20-0823.
